On the first night of your stay, you and your guests will be immediately immersed in the Sonoma Wine Country Experience. When you arrive, you will be treated to an array of luscious cheeses, hors d'oeuvres and amazing breads made from the incredible bounty found in Sonoma County. Special wines from deep in the Merry Edwards Library will flow as you enjoy delicious bites paired specifically with each wine.

On Day 2, you will be treated to a special day in the vineyard with Merry Edwards Winemaker Heidi von der Mehden. On Day 3, take a leisurely drive up Highway 1 on the glorious Sonoma Coast to Timber Cover Lodge, where you will enjoy lunch at Coast Kitchen. As you take in the expansive ocean views, you will dine on fresh, seasonal fare from local farmers, cheese mongers, mushroom foragers and other producers of top-quality Sonoma County ingredients. Choose a thoughtfully produced cheeseboard, charcuterie or ocean-fresh seafood paired with Merry Edwards Wines.

On Day 4, head off to Healdsburg for your visit's finale dinner, where you will be delighted by destination restaurant Valette. Located in one of Wine Country's most beloved towns, Valette is the culmination of the vision of two brothers who grew up in Sonoma County. Dustin Valette and Aaron Garzini are pursuing their goal of creating menus showcasing the incredible bounty of our county. Be prepared for a phenomenally creative meal crafted by Chef-Owner Valette to pair with Merry Edwards Wines in the gracious environment overseen by General Manager-Owner Garzini.

CALIFORNIA KNOWS HOW TO PARTY

V Foundation, Williams Selyem

Why visit California just once when you can do it twice! With this incredible auction lot you have two reasons to escape to The Golden State for your party of two.

Head North in 2021! Stay at the exceptional Guest House of the Williams Selyem Estate. Burt Williams and Ed Selyem started Williams Selyem in the Russian River Valley with two lofty goals: to craft wines that set the standard for excellence, and to come to know and serve their customers personally. The team continues to serve those goals today, committing to do whatever is necessary. Extra time, extra effort, extra manpower, less sleep, a near-fanatical attention to detail... if it contributes to the quality of their wines and service, it's worth it. The number of cases they produce is based purely on how much outstanding wine they can coax out of their grapes, and that amount will vary, vineyard to vineyard, season to season.

Tour and tasting opportunities are only available for members and there is a waitlist to join. With this lot you have special access! In addition, you are invited to attend the V Foundation Sonoma Epicurean Wine, Food, and Wellness event March 25-28, 2021 with VIP access at the new Montage Healdsburg and more.

Travel South in 2022! With two tickets in your hand, head to the Super Bowl in Los Angeles.
